

Cultibo and Links

In 2011 the Neighbourhood centre Cultibo was founded in the Bifang district in Olten, as a place to meet (new) people and to get informed about the different available activities in Olten (Events, Leisure Time, Learning German, Playgrounds, Organisations, etc.).

At the Cultibo you can join activities, or organise one yourself. You can also rent the Cultibo for private parties, meetings or seminars. During opening hours an employee is always present to help with any questions you may have.

For those who don't have German as their native language, the Cultibo offers German conversational courses (sign up necessary, starting at A1 level, no absolute beginners) and Café International (no sign up necessary).

Current activities and events as well as the current opening times are listed on the website: www.cultibo.ch

Feel free to come by at any time, we'd love to have you!
